

Harriet Tubman

A UNION NORTH CREATED FAKE SUPER WARRIOR

"Harriet Tubman never actually freed the slaves, she just had them work for other white people." - Kanye West

SAME JOB AFTER ESCAPING

Most jobs way back then in the 1800s where physical labor jobs in both the North and the South, and for both free and slave. So there is no real advantage from a job view, economic view, or housing view in escaping to the North. Note: There was no electricity back then; hence, no A/C, fans, or refrigerators.

WANT IT BOTH WAYS?

How could Tubman, a conductor, know the locations to all their relatives' if Slavery actually separated families? It's not like they had Facebook, Twitter, Google, E-Mail, phones or even electricity, back then. Also, a 2-year old kid looks very different at age 25.

UNDERGROUND RAILROAD = ANOTHER "KILROY WAS HERE" PROPAGANDA WAR TACTIC

The Hying of Harriet Tubman appears to be like the Hying of Private Jessica Lynch during the 2003 Iraq War, and the "Kilroy was Here" in WW2. However, Lynch admits all that hero hype was false. On the other hand, the Hying of Tubman appears to grow and grow over time.
